From

THE PLAGUE COMMISSIONER IN MYSORE.

To The Secretary to the Government of Mysore

3. Now that Plague has established itself in Hubli, the stringent measures adopted there have been the cause of adding to the number of daily arrivals from that and other infected places at the Railway Stations between Kadur and Sivane.

4. The duty of escorting passengers to their destinations falls heavily on the Kadur and Birur Stations and in Ajjimpur also the number of daily arrivals is on the increase.

5. It is, therefore, found difficult to provide men for purposes of escort without adequately strengthening those stations and providing funds to meet the recurring charges on account of transit fare to constables travelling

travelling daily on escort duty between Kadur and Chickmagalur and Birur and Shimoga. With a view to enable the Police to pay transit fare, I have placed in anticipation of sanction an imprest of Rs 25/- at the disposal of the Kadur Inspector out of the advance of Rs 1000/- sanctioned by Government in Proceedings No. 10386-8 / mis of 21-96 dated 25th February 1896 for Plague prevention purposes. This imprest will be recouped from time to time on presentations of vouchers by the Inspector. This imprest has to be raised to Rs 50/-.

As regards the additional Police force required to carry out the Plague Commissioner's orders, I submit a supposition statement for your approval and for obtaining early sanction of Government to the entertainment of additional hands applied for by me.

The reasons for the proposed increase are fully set out in the remarks column of the statement enclosed.

I have etc,
